ZOE SCHWARZ BLUE COMMOTION

the blues don't scare me

A popular, exciting and highly original blues flavoured six-piece band.

"Some of the best blues I've heard come out of Great Britain in decades. As a matter of fact, this group would certainly fit into the category of the 'Future Of British Blues'. Peter Lauro, Blues Editor, Mary4Music.com (USA)

Through the band's CD **GOOD TIMES** and subsequent reviews both here and in America, Zoe has proved herself to be an incredible vocalist whose passionate, yearning style is the cherry on the cake of a superb six piece line-up, in which each of the band members is as important as the other.

"Zoe Schwarz has found the ultimate line up which can fully realise her considerable talent". The Bishop (David J. Scot) Blues Matters (UK) and Blues Wax (USA)

Ian Ellis-tenor saxophone & Andy Urquhart-trumpet (tracks 3,7,9&12)
